Professional Summary:

Dedicated Accountant with over 5 years of professional experience in the Saudi and Egyptian markets, specializing in Accounts Receivable (AR) and financial settlements. Expert in managing credit sales for spare parts, reconciling 'Tamara' payment gateways, and maintaining complex suspense accounts to ensure financial data integrity. Strong background in auditing daily service center logs, verifying customer discounts, and ensuring full compliance with internal controls and IFRS standards.

Work Experience:

Senior Accountant | Mezan Abdulhakeem Al-Odheib Auto Maintenance Co.

Riyadh, Saudi Arabia | NOV 2022 – Present

- **AR & Collections Management:** Managed credit sales for spare parts, ensuring timely collections and optimal cash flow.
- **Financial Reconciliations:** Led reconciliations for "Tamara" payments, customer statements, and suspense accounts to ensure data integrity and accurate reporting.
- **Operational Auditing:** Audited daily service center logs and verified customer discounts to ensure compliance with internal pricing policies.
- **System & Technical Support:** Resolved maintenance-related system issues and provided continuous support to cashiers for accurate billing and journal entries.
- **Settlement Oversight:** Managed fleet and employee vehicle maintenance settlements, ensuring immediate invoicing and record accuracy

Accountant | Qurtoba Clothing Factory

Egypt | Jan 2022 – Oct 2022

- **Collection:** Managed customer payment follow-ups to ensure liquidity and steady cash flow.
 - **Bookkeeping:** Recorded daily journal entries and maintained accurate general ledger records.
 - **Reconciliation:** Performed periodic customer account reconciliations to resolve discrepancies.
-
